- Consent for Services - Responsibility of Payment -

I understand my obligation to keep in contact with the office regarding changing a scheduled appointment I have arranged, for services to be completed. By failing to provide a notice less than 48 hours, I understand I may be inhibiting the doctor's ability to provide care to others who may be in need of dental care also by failing to present for the reserved appointment scheduled therefore will incur a broken appointment charge of up to, the total cost associated with my scheduled services. By signing this form, I give Weldon Dental permission to place a credit card given by me verbally or in writing on my file to be debited in a pre-discussed amount.

As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from the patient for the costs incurred during their care. All emergency dental services, or any dental services performed without previous financial arrangements, must be paid for at the time services are performed. I understand that I may be required to put down a 20% non-refundable deposit to schedule an appointment. I give Weldon Dental permission to keep record of a credit card given by me verbally or in writing to process in accordance with the scheduling guidelines.

Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services received. This office will help prepare the patient's insurance forms and assist in making collections from insurance companies and will credit any such collections to the patient's account as a courtesy. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company. Insurance companies deny any guarantee of the accuracy of the information shared regarding available benefits or estimated covered allowances. Final determination of benefits is determined once a claim is processed. Any payments collected in the office at the time of services are based on *estimates only.* Any treatment not covered by insurance is patient responsibility to pay. I understand that the fee estimate listed for dental care can only be extended for a period of up to six months from the date of the patient examination.

In consideration for the professional services rendered to me, I agree to pay therefore the reasonable value of said services to said Doctor, or his assignee, at the time said services are rendered. I further agree to pay all costs and reasonable attorney fees if suit were filed for services rendered.

I grant my permission to you or your assignee, to contact me at home or at my other listed phone numbers to discuss matters related to this form. As a courtesy, Weldon Dental will allow payments for balances owed to be paid by phone with no additional fee. My signature allows transactions for given credit card agreed upon with the office.
